Presto Vacation

NO PRESTO NEXT WEEK

There will be no Presto Press on Wednesday, July 6th, as the staff will be on vacation. The office is closed and will reopen on Thursday, July 7th. The next Presto will be on Wednesday, July 13th.

To all our readers we wish you a Happy and Safe Fourth of July.

Special Election Results

1,043 VOTED - 28 PERCENT

The Mattapoisett Police Department drew vote approval in the Special Election last Tuesday with a vote of 545 to 475 for a $1,489,000 exemption from 2½ for bond issue to construct and equip and furnish a new police station; also, a $23,500 override to purchase two new police cruisers, with a vote of 547 to 474.

With 3,690 registered voters, the 1043 vote meant that only 28 percent cast ballots.

The special election was necessary to allow the town to assess the additional amounts in real estate and personal property taxes for fiscal 1989 to fund the operating budget for the first time in the recent history of Proposition 2½. The operating budget request passed with a vote of 515 to 494 in the amount of $625,807.

The schools also received a positive vote with the passage of four questions: the first, $4,200 to assess costs for removal of asbestos from Center and Old Hammondtown Schools, 718 to 300 for an override; the second, $120,000 for windows at Center School, 530 to 481 for a capital outlay expenditure exclusion; the third, $20,000 override for painting the exterior of Center and Old Hammondtown Schools, 515 to 497; the fourth question, $124,800 for a capital outlay expenditure exclusion to replace the Old Hammondtown School roof, 627 to 386.

Less successful were questions for a Town Planner, a $20,000 override which failed to pass, 479 yes and 537 no; $7,000 override for a part-time Council on Aging director, which also failed to pass, 420 yes and 600 no.

The Water/Sewer Department was also frustrated by the voters with five of their questions failing to pass. The most important of those not passing was the $40,000 request for a capital outlay expenditure exclusion to construct a Corrosion Control Facility. The amount of $142,500 was passed as an override last year for the facility; however, because bids came in at a higher figure, an additional $40,000 was needed.

Water/Sewer Superintendent William Nicholson said, "Sometime soon the federal EPA (Environmental Protection Agency) will mandate that the town must build a facility to control lead, copper and to maintain an acceptable PH level. When the EPA sets a date we will have 18 months to construct the facility. Yes", the superintendent said, "I will recommend to the Water Commissioners that they place an article on the October Special Town Meeting Warrant for the funds." He noted the second bid came in at $111,440 but an additional $50,000 will be needed for engineer-

ing fees and materials.

The Superintendent said his first reaction to the defeat of their requests was "depression". For the residents who sought relief from the PCA in their water pipes on Whaler Way, Eldorado Drive and Granada Court, "I feel sorry for those living on Eldorado Drive and Granada Court as their streets were not voted to replace their water pipes. Why only one street passed, Whaler's Way, and that isn't even a town road, I don't understand," said the Superintendent. Whaler's Way passed with a vote of 502 to 498 for a $24,450 capital outlay expenditure exclusion. Eldora Drive was voted down, 487 yes to 513 no for $68,360; Granada Court failed, 476 to 522, for $15,225.

The Water Department also lost on its request for $15,000 for a new truck by 408 to 608; and $9,000 to purchase computer hardware and software by a vote of 360 to 643.

More successful for the Water Department was the passage of $17,000 to purchase land to protect the town's water supply, 745 to 278.

Other questions failing were: $3,500 override to prepare a preliminary engineering study to install drainage and resurface Tinkham Lane, 306 yes and 684 no; $14,000 exclusion to purchase a pickup truck for the Shellfish Department, 281 to 722; $29,000 exclusion to purchase a boat for the harbormaster, 269 to 738.

The question seeking $41,176 exclusion in anticipation of Chapter 90 highway construction funds failed 490 to 499, a small margin. This

money is reimbursable from the state, and without it "we cannot do any work on North Street for the next year, where the money was allocated," explained Selectmen Chairman William F. Hubbard. He added, "I think some of the voters just didn't understand the request."

Chairman Hubbard commented after the election, "I was saddened that two streets (Eldorado Drive and Granada Court) didn't pass for new pipes, although I was pleased Whaler's Way did pass. I feel morally the people on those two streets deserve to have their pipes replaced."

On the other losses, Chairman Hubbard noted the town desperately needs a Town Planner, as it's almost impossible to do all that needs to be done with a growing town on a part-time basis. "The town planner and corrosion control facility questions may go on the warrant for the next special town meeting," Chairman Hubbard said.

Wharf Rules Cause Confusion

MATTAPOISETT SELECTMEN'S MEETING
JUNE 21, 1988 - by VIRGINIA MORGAN

Elizabeth Field, dispatcher with Brownell Boat Works, met with Selectmen last Tuesday to clarify her understanding of the proposed and temporary regulations placed on the use of the wharf.

Mrs. Field said, "I need to understand what to tell a person when they call; first, who can and who

cannot have a boat on dry dock, and secondly, how much will it cost?" She noted the increase from the present 50 cents per foot per day to $2. per foot per day for a non-resident is discouragingly high. "Is this your idea to discourage bringing people here?" she asked.

Selectmen Chairman William F. Hubbard said, "No, we don't want to discourage boat owners, but we have to adopt some rules to handle the increasing overcrowding on the wharf." Chairman Hubbard noted the Board is presently reviewing new rules and regulations and mooring and dry dock fees and will adopt new ones, or keep the present ones, at the July 12th Selectmen's meeting with Harbormaster Steven Mach.

Mrs. Field said that the fee in Fairhaven is $1.00 per foot per day, and in Sandwich it is $10.00 per day, as opposed to what a boat owner will have to pay in Mattapoisett with the $2.00 per foot per day rate. She asked who was going to collect the fees.

She added she also understands no boat can come in to dry dock without first getting permission from the Harbormaster or pay a $5. per day fine. She noted sometimes she has to wait a day to receive a return call from Steve Mach before notifying a boat owner if they can come

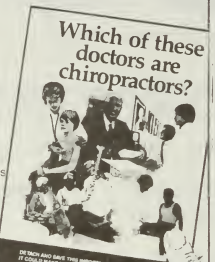
DID YOU SEE THIS BOOKLET ABOUT CHIROPRACTIC IN READER'S DIGEST?

If not, you can get a copy FREE!



If you do not know much about chiropractic, you should!

Why?

Because chiropractic is the second largest health-care profession in the U.S., and hundreds of people are getting effective relief for their health problems without the use of drugs or surgery. Chiropractic has been successful not only with back problems, but also with a wide variety of health disorders.

This booklet, which appeared in *Reader's Digest* as an advertising supplement, gives you helpful health tips.

© ACA, Inc – 1988 All Rights Reserved

into dry dock. "This can become confusing and embarrassing. Our trucks are booked every day for a 10-hour day, seven days a week and we need to plan ahead."

Chairman Hubbard didn't feel it was that critical to reach the Harbormaster in 15 minutes unless it is an emergency. In the event of an emergency, Brownell's can take immediate action, he noted. Mr. Hubbard did express his opinion that the $2. per foot per day fee was too high. "Nothing is cast in stone. This figure was recommended by the Harbor Study Committee and will be reviewed at the July 12 meeting." He added that in Sandwich and in Fairhaven the dry docks are privately owned. The Harbormaster will collect the fees, he added.

The Board did vote a 30-day temporary regulation to permit no parking south of Water Street (including the wharf) except by permit only. Mr. Hubbard said "We will lift the restrictions on Band Concert night on Wednesdays and Square Dance nights on Saturday.

James Shepley stopped at the Selectmen's office on his way to attend the Conservation Commission meeting of which he is a member to personally thank the board for improved conditions on the wharf.

In other business, Selectmen:

RECEIVED a lengthy list of recommendations for the use of the harbor and wharf from Michael J. Dahill, Chairman of the Harbor Development Committee of the Growth Management Committee.

Mr. Dahill and his committee make these recommendations and urge Selectmen to hold a public hearing to get input from the residents and then place an article in the next Special Town Meeting to adopt these regulations.

RECEIVED A LETTER from Mr. Courtland A. McDonald of Marion expressing his intention to actively seek a suitable site for affordable housing in Mattapoisett to be constructed under the guidelines of the Homeownership Opportunity Program (HOP).

"If I am able to find a suitable site, but am restricted in density by zoning, I would like to ask the Town for its assistance in the form of a Comprehensive Permit". Mr. McDonald included a background on his expertise and education, noting he is presently Vice-President of Marquis Properties, Inc. and principal in various real estate limited

partnerships, Project Manager of development projects which include: the first phase (42 units as a residential condominium) of the Settlers' Green Resort Hotel/Retail Condominium project in North Conway, New Hampshire, and other project developments.

In his letter, Mr. McDonald commented, "As a development professional who is familiar with the economics of a HOP Project, I cannot fathom how the Park Street project can work from an economic point of view. A Comprehensive Permit is a development tool which, among other things, may provide for greater unit density, thereby lowering the per unit costs of land acquisition. HOP Projects with 30 percent affordable units cannot afford land costs in excess of $10,000 to $12,000 per unit. I understand that Mr. Cusson's, president of the Pleasant Street Development Company, contract price for this parcel is in excess of $1 million. Based on a proposed unit count of 58 this translates into a land cost in excess of $17,241. I simply do not see how this project can go forward based on this factor alone. I would have real concern for a developers' suc-

cess in a HOP project having knowledge of this fact and I would record this, as well as other concerns with the State Board of Zoning Appeals. If a development of this type fails prior to completion the negative impacts to the neighborhood and the Town might be great."

Selectmen will set a date to meet with Mr. McDonald to hear his view and intentions regarding building affordable housing in town.

WERE INFORMED by Building Inspector Andrew J. Bobola of the successful meeting with Mr. Michael J. Goetz of FEMA (Federal Emergency Management Agency) who insures homes built in the Flood Plain Zone.

The meeting concerned the inspector's current problems with four homes being built within the Flood Plain zone. Mr. Bobola said Mr. Goetz inspected two-thirds of all applications filed for building permits in the flood plain zones. In the discussion of the four current problem areas with constructors and homeowners taking advantage of the 50 percent rules when building in these zones, upon inspection, Mr. Goetz was in full agreement with the Building Inspector that three of the four buildings had indeed been taking advantage of the ruling.

Inspector Bobola noted that Mr. Goetz was very impressed with the way David Crook (recently resigned former Building Inspector) took control of the flood plain by-laws and codes, and was very glad to see

the effort taken by Mr. Crook has been updated with the newest codes and was still being enforced to the fullest extent of the law. Mr. Goetz also made the comment that the Town of Mattapoisett has a very high rating in his organization.

WERE NOTIFIED by Town Counsel Donald J. Fleming that the Ford Motor Company, Park Superior Sales and Mid-Cape Motors have declined the Town's claims on the repair of the town ambulance and a claim for the cost of rental of a replacement ambulance while the town's ambulance was out of service.

Selectmen will consult with Town Counsel to determine the town's next legal step.

Mattapoisett Historical Museum

The summer season arrives! The Mattapoisett Historical Museum will open on July 5th at 1:00 p.m featuring an exhibit of antique and interesting fans. To make this exhibit extra special the Garden Group of the Mattapoisett Woman's Club is planning to add a dimension to the display with floral arrangements. A truly lovely exhibit is planned for you.

Did you know that Japanese students of old took notes on their fans; that by waving a fan people used to greet each other; that Japanese criminals were executed by the motion of a fan; that the Louvre Museum in Paris has a fourteen centuries old Chinese fan made of bamboo leaf and ornamented with bulrushes?

The Japanese are responsible for the folding fan we know today making fan carrying easier and adding many ways in which to decorate and use a fan.

Museum hours are Tuesday through Saturday, 1:00 to 4:30 p.m. Admission is adult, $2.00; and children, $.50. Members and their guests are free. While visiting the museum a fan will not be necessary to keep cool....it is air-conditioned.

Marion Selectmen's Meeting

JUNE 21, 1988 - by EUNICE MANDUCA
A Community service by the Marion Area League of Women Voters

Carl Leone of Camp, Dresser & McGee reviewed the proposal for Professional Study and Report Services which C.D.M. recommends for Marion. He explained the 17 page outline which would include sewer needs present and future, determination of problem areas for groundwater and surface water contamination, public health problems and currently failing subsurface disposal systems. The study would also include evaluations of facilities now in use and recommendations for improvements. A D.E.Q.E. state grant to the town is being processed for the study which is estimated to cost $319,000.

There was a request for a variance on the property of Ted and Liz Brainard on Delano Road. Al Ewing of Thompson Engineering showed proposed changes in the disposal system to bring it closer to Title 5 requirements. Selectmen Schaefer and Hoagland voted in favor. Mrs. Brainard suggested the town consider purchasing the land for a public beach.

Harbormaster George Jennings reported that the Marine Resources

Commission will interview for the Assistant Harbormaster position on June 27. He also reported that damage caused to a boat in the harbor by the Harbormaster's boat would not be covered by the town's insurance. Damage to the boat was $7000. and the town policy has a $12,000 deductible. Selectmen voted to pay the bill.

Discussion was held concerning location of a light pole on Cross Neck Road. A representative of the developer stated that his organization had relocated water and drain lines in order to protect existing trees and suggested that the requested service lines come off existing pole and go under the roadway. Electric, phone and TV cable lines would be involved and Executive Secretary Ray Pickles will contact the power company for permission to come off the pole.

Betty Robak, whose mother Mrs. Pardon Gibbs II lives on Oakdale Avenue, registered a complaint concerning a building abutting her mother's property. She was assured that action was being taken.

Ray Pickles announced that the State Attorney General has approved the private roads agreement which was voted at Town Meeting. Mr. Robilotto will be notified.

An all-alcohol one-day license was voted for July 4th on Allen's Point

Road from 6 p.m. to 1 a.m. Selectman Schaefer requested that a police officer be assigned.

The Perry Hill well site meter has been installed.

Because last year's St. Rita's Fair was held on the same day as the Buzzards Bay Regatta with no complications for either group, it was voted to permit St. Rita's Committee to set up a tent at Island Wharf park on August 6th.

The Selectmen, D.P.W. and the Conservation Commission will work on a management plan for Planting Island and consider road repair, erosion problems and the parking area.

Kathy Wisner and Virginia Nicholson were named to the Housing Partnership Committee.

Mr. DeBarros and Mr. Barnes came before the Selectmen to protest the condition of Hill Street and Green Street. They stated that Selectmen had been promising action since 1985. They were informed that Mr. Bevilacqua, the developer responsible for the condition of the road, has a $4500. check on deposit with the town for the completion of the job but Ray Pickles hasn't been able to locate him. Mr. Barnes stated that he didn't expect a new tar road because additional sub-surface work needs to be done but when the oil truck couldn't get down his road

MARION

Point Woods Estates - Beautiful wooded lots ranging in size from 1.4 acres to 7 acres. Homesites include deeded access to private beach and boat landing located at end of road.

last winter he got very upset. Jay Crowley said this same situation had been discussed last fall but no action had been taken. Chairman Pratt said that the D.P.W. will make an effort to improve the situation and apologized to Mr. DeBarros and Mr. Barnes for taking so long. Ray Pickles will continue efforts to deal with Mr. Bevilacqua through Town Counsel.

Board of Health Chairman Lori Schaefer advised Chairman Pratt and Selectman Hoagland to study the new proposed Board of Health regulations and be prepared to discuss pros and cons of any changes and to schedule public hearings.

Selectman Hoagland stated that a home on Piney Point is for sale but it has a septic system deficiency and has not been issued an occupancy permit. He was assured that the sale cannot be completed until the deficiency has been corrected and an occupancy permit issued.

In a general discussion concerning controversial ditches on the Van Doren property, Chairman Schaefer suggested that persons present at the meeting who were positive that the ditches existed long before the Van Dorens acquired the property could be very helpful in establishing this fact with the appropriate committees.

Selectmen Chairman Pratt reminded all present of the seriousness of the water situation and the necessi-

Mattapoisett Village - One block from harbor. In move-in condition. A comfortable late Victorian house in the middle of a country setting. Surrounded by a circular driveway. Secluded with a brick walkway to gardens & flagstone patio.

The inside has a good traffic pattern. Beautiful fireplaced family room leads to large glassed-in porch. Spacious, sunny rooms. Including a formal parlor, dining-room, den with built-in bar. Large kitchen with adjoining laundry room. Attached office or guest room. 3 baths plus a powder room.

Stately staircase leads to 5 bedrooms. Partially finished attic. Town water & sewerage.

Lot Size: 195' frontage x 180 deep. Broker Protected. $450,000.

Tel. 758-2687 / 758-2166.

From Eric Pierce with a request for reimbursement from the town for damage to his vehicle caused by a faulty manhole cover on Front Street. Selectmen voted to pay the bill of $345.98.

From Mr. Iddings, a continued discussion concerning building on the old railroad right-of-way opposite the Short Wave.

From Mass. D.P.W., a notice that Marion's Chapter 90 funds have been changed from an operating budget to a capital budget.

Marion has $180,000 in its account which has been ear-marked for Front Street work.

From the Plymouth County Commissioners, an explanation for the substantial increase in the cost of Blue Cross/Blue Shield coverage for town employees. Selectmen instructed Ray Pickles to investigate alternative health insurance. The suggestion was also made to adjust salaries of employees to cover additional costs.

From Town Counsel Crotty re: sale of the Harbormaster's patrol boat. The boat has been declared surplus property and may be sold at a regular posted Selectmen's meeting if a suitable price is offered.

5th and presented by James Mavor. This is a relatively new science combining archaeology, anthropology and astronomy. Mr. Mavor is a pioneer of this science which has become an invaluable tool in determining the meanings of archaeological finds, both new and old. It has been found that, in many 'digs', an 'indicator', based on astronomy, was laid out which served as a 'pointer' towards past and subsequent civilizations. Mr. Mayor speculates that this new science could lead to solving the mystery of "Stonehenge" and other mystifying archaeological finds.

Harbor Days

JULY 15 THROUGH 17

The Mattapoisett Lions' Club is sponsoring the 7th annual Harbor Days in Mattapoisett. It will be held from Friday, July 15th through Sunday, July 17th. Each year this event has become more and more successful. Last year we had over 70 craft booths and sold more food on Saturday than the previous entire Harbor Days.

This year we will begin with a Strawberry Festival Friday night, July 15th, beginning at 6:30 p.m. until 8:30 p.m. Saturday will start at 10 a.m. with the opening of the Crafts Booths. At 11 a.m. our Triathalon race will begin. It will consist of swimming, running and bicycling. There will be three person teams as well as single "iron man" competitors.

Throughout, food and entertainment are offered for everyone's enjoyment. Saturday evening will offer a Square Dance for those interested. Sunday will offer a Bicycle Race beginning at noon.

years, Stan has earned the admiration of the students of Center School and Old Hammondtown School as he had toured their classes with safety talks and run the various programs, such as the bicycle rodeo that promotes safety in the streets.

Mr. Ennis is presently recovering from successful treatment for heart artery blockage. The bus load of children presented him with some thoughtful cheer as they gave him a portrait of himself accompanied by a giant card signed by the entire group as they paused on the way to class on Thursday morning. The portrait was commissioned by the students and their bus driver, Kathy Buckles, from Matthew Thomas, who graduated this season from Old Rochester. He worked from a photo furnished by them under the supervision of his art teacher, Becky Zora, at ORR.

It is a super likeness of Stan Ennis and he was very pleased. Obviously moved, Mr. Ennis thanked his youthful friends. He said that their concern, thoughtfulness and good wishes speeded his recovery and reinforced his very special pride in his work with all of them.

Mattapoisett Band Concert

The 1988 summer season of Mattapoisett Town Band Concerts will begin on Wednesday, July 6th. Concerts are held each Wednesday evening during the months of July and August at the Gazebo in Shipyard Park. Conductor J. Craig Lilly will lead the band in programs consisting of marches, show tunes, medleys, and other concert band selections. The fine musicianship of this local group and the varied performance selections are sure to make this concert season an enjoyable one.

Marion Band Concert

The 1988 concert season of the Marion Concert Band will open with a program of patriotic music on Sunday, July 3rd, as part of Independence Day weekend celebrations. The concert will be held at the Robert Broomhead Bandstand at Island Wharf and will begin at 7:30 under the direction of Tobias Monte.

The concert series will continue on July 11th, and every succeeding Monday night through August 29th. All concerts will begin at 7:30, weather permitting. Information on concerts cancelled due to inclement weather may be obtained by calling the Marion Police Department.

The band is presently looking for new members. Any musician interested in playing should call 748-0346 for more information.

The 1988 concert season will feature a variety of programs including Latin-American music, movie and TV themes, a children's program, Broadway musicals and a concert in the style of John Philip

Miss Bridge, daughter of Norma and Arnold Bridge, was treasurer of her Senior Class, the Student Council, and the National Honor Society. In addition, she was a member of the American Field Service, Class Float Committee, Prom Committee and on the Yearbook staff. Miss Bridge plans to study business at the University of New Hampshire.

Miss Rego, daughter of Elsie and Mario Rego, participated in a variety of activities while at ORRHS, including the American Field Service, volleyball and softball teams, winter track and conditioning. She also traveled to Mexico with the Spanish Club. Miss Rego will study pharmacology at the University of Rhode Island.

Miss Reynolds, daughter of Sandra and Daniel Reynolds, was President of the National Honor Society and Secretary of the Theater Club. She served as assistant group leader of the Spotlight Program at Southeastern Massachusetts University, and received the A.T.C. Award for her theater club work. Miss Reynolds is interested in writing and placed first locally and second district-wide in the Voice of Democracy Essay Contest and attended the New England Young Writers' Conference. Miss Reynolds will attend the University of Massachusetts at Amherst to study psychology and writing.

The Mattapoisett Woman's Club is proud to be able to support the continuing education of these outstanding young women.

GOLF GROUP

The Mattapoisett Woman's Club Golf Group will begin play at 10 a.m. at the Marion Golf Course (Little Marion) on June 30th, Thursday. The fees will total $6.00 for instruction and greens fees.

HARBOR DAY PROJECTS

Mattapoisett Woman's Club co-chairmen June Cleveland and Mary Callan would like to remind members that they will soon be contacted for help with our Harbor Days projects. Members will be asked to donate non-perishable homemade goodies (cookies, bars, candy, pickles, preserves, etc.) as well as to volunteer to man the booth for a two-hour stretch on either July 16th or 17th. Please be as generous with your time and talents as possible.

Club members are also advised that if they have not already received their membership cards they may be picked up at the booth during Harbor Days.

Marion Horse Show

JULY 4th

More than 75 horses and their owners -- one of the biggest fields of riders in many years -- are expected at this year's annual July 4th Marion Horse Show, now in its 42nd year.

Plans are underway for this year's day-long holiday show, one that draws horsemen of all ages from throughout New England.

Along with the formal competition for equestrians, there will be games and rides for children along

a midway, a raffle featuring a $300. grand prize and more than 25 valuable gifts given by area merchants and businesses.

Food and refreshments will be available along with areas for picnicking.

Competition begins at 9 a.m. at Charles R. Washburn Memorial Park, Route 105, just south of Route 195 (Exit 20), and the show is a major fund-raiser for various youth groups from Marion, Mattapoisett, Rochester and Wareham. The Sippican Seniors also are active in the show.

This year's show has been revamped with the addition of several mini-horse, Morgan, Appaloosa and cart categories. This year there will be two pleasure rings, and more prize money for competitors.

The show's rating also has improved from a Class B to a Class AA rating by the New England Horsemen's Council, and it is affiliated with the Massachusetts Horsemen's Council.

Council on Aging Trips

The deadline for the July 19th (Tuesday) Bay Queen boat ride from Warren, Rhode Island to Newport is July 5th. There will be a two hour stopover at Newport to browse in the shops or have lunch. Mattapoisett Growth Management Nunes Property Discussed

The most recent meeting of the Mattapoisett Growth Management Committee was held on Thursday, June 23rd, at Village Court. Chairman Peter Kortright called the meeting to order at 7:30 p.m.

The first item on the agenda was the discussion of the position of Town Planner. This position was defeated at the special Proposition 2½ override town election on June 21st. Mr. Kortright and the committee felt that the vote for the position indicated strong interest in obtaining a Town Planner. Mr. Kortright stated, "If the town shows interest in obtaining a Town Planner, then the state could approve the

matching grant application, which has already been sent to Boston. The grant could be something other than a cash-match if the position is considered important enough by the town and state." He will contact Boston to explore all alternative avenues so that Mattapoisett can benefit from the expertise of a professional. In the light of recent development plans within the town, the committee feels this is an urgent priority.

The committee also discussed the sales agreement for the Nunes property. Several contingencies from the agreement were explored at length:

1) The developer will require 80,000 gallons of sewage capacity daily.

2) Water use will be 50,000 gallons daily.

3) All this capacity will be coming out of Mattapoisett's share of the Fairhaven Sewage Treatment facility.

4) Will this capacity usage strain Mattapoisett's share now and in the future?

5) Can town services meet the new strain - schools - fire - police, traffic, etc.?

6) Coastal Zone Management is alarmed at the concept of a golf course on a coastline. The runoff from pesticides alone would

damage the shellfish beds in Shaw's Cove, Fairhaven's chief source of shellfish.

Martha Peterson, Open Spaces, has been working with C.Z.M. and Fairhaven to have Shaw's Cove declared an area of critical environmental concern (A.E.C.E.).

The object of such a classification would be to protect the Brandt Beach area from harmful development. Once the state receives the A.E.C.E. application, all development must desist for thirty days so that the state can determine the environmental impact.

Committee members raised the question as to what will happen to the beach area on Brandt Road. Will the developer close beach access and swimming rights to Brandt Beach residents? All members agreed that these questions must be addressed and answered satisfactorily.

Another topic of discussion was the mapping of Open Spaces in Mattapoisett. Mrs. Peterson noted that her committee's current $4,500 grant can be used toward a $6,200 SRPEDD mapping survey of the town. The Land Trust has indicated interest in perhaps helping to raise the remaining money needed. The mapping would involve town boards: Conservation Commission, Planning, etc.

Mr. Roger Thompson volunteered to draft a set of by-laws for the Conservation Committee and these by-laws would aid SRPEDD in its task of open space planning.

Richard Young, Harbor Committee, reported that his committee now has a final draft of mooring regulations to present to the Selectmen and then to be followed by a discussion in a public meeting.

June Mendell, Housing, announced that Mattapoisett was one out of thirty-six towns to receive a $2,004,000 grant to develop affordable housing for: 30 units, 12 family, 18 congregate.

Grant money has already been provided for a consultant to begin the planning.

Mr. Thompson was appointed by the Housing Partnership to inventory buildable land in town.

He stated, "We must find a way to finance the acquisition of these lands as quickly as possible, because, if the town does not own the land, it will have no say as to how the land will be developed."

The meeting was adjourned at 10 p.m. The next meeting of the Mattapoisett Growth Management Committee will be held on Tuesday, July 12th, upstairs at the Fire Station, at 7:30 p.m. We hope to see you there.

Constance Keavy

Letter to Selectmen

TOWN OF MATTAPOISETT

I must reluctantly conclude, after considering the results of the recent local election concerning overrides and debt exclusions under Proposition 2½, that the Town of Mattapoisett can no longer efficiently govern itself through the medium of the open town meeting. This old system, the last remnant of true Democracy, can only work effectively when the residents and voters take sufficient interest to attend and participate in Town Meetings and Elections; to expend the necessary effort to become knowledgeable in order to vote intelligently.

When approximately seven percent (7%) of the eligible voters, including the undersigned, attended the last Town Meeting and spent three long evenings discussing, considering and determining the town's needs; only to have about 28% go to the polls and vote against over half of what we had considered essential articles, the system is just not working and town officials, boards, committees, employees and concerned residents must feel frustrated and discouraged.

I respectfully suggest that your Board consider appointing a study committee to consider and recommend possible changes in our Town structure which could result in a more workable, less unwieldy more efficient Town Government. Your Board could then take the necessary steps for their implementation, should you consider such recommendations to merit such action.

Charles A. Morgan
Mattapoisett

Letter to the Editor

The vote on the override questions on June 21st shows that the majority in Mattapoisett either do not understand the issues or are unwilling to face them. Certainly they are not concerned about the way our elderly population is taken care of since they voted down a part-time director of Elderly Affairs, nor are they concerned about the way in which the Town will be developed since they voted down the Town Planner.

This latter is a significant expression of opinion particularly as it comes at a time when in just two proposed developments enough additional housing units are contemplated to overload our school sys-

tem, our water supply, and the sewage disposal contract to say nothing of the additional "affordable housing" units the Town will be required to arrange in order to meet the mandated 10% quota. With no professional Town Planner, the responsibility for negotiating and predicting the impact of these vital issues rests with volunteer Board members and part-time Selectmen who really are no match for the full-time efforts of commercial developers. It is the citizens of this Town, not the developers, who will have to live with any errors in judgement.

Much the same can be said about the programs for the Elderly. To the extent that the part-time volunteers, dedicated as they may be, fail to understand or take advantage of the many State and Federal programs involving the elderly, it is our citizens who suffer. Certainly the least that those can do who voted against the Director for the Council on Aging is to volunteer their time for such elderly service programs as community distribution, or manning the office in the Town Hall, or getting a CPR certificate so they can drive the van on trips, or attending the SHINE program to learn how to counsel elders about Medicare and Medicaid. Those who wish to volunteer

are urged to call the COA office in the Town Hall any weekday morning.

I could go on, but the message I wish to register is that the failure of the voters to provide the funds for trained, professional staff for vital Town functions is likely, as time goes by, to cost far more than any apparent savings.

R.M. Coquillette
Mattapoisett

Council Needs Volunteers

During the past year a series of articles in this paper under the heading "KNOW YOUR COUNCIL ON AGING" has described the many services for the elderly administered through the COA. A summary of these services is also listed in the Town Annual Report. This activity is managed by a Board of Directors made up of volunteers appointed by the Selectmen. The Board meets every month on the second Tuesday in the Council office on the second floor of the Town Hall. The meeting starts at 1:30 p.m. and is open to all. Any town resident is welcome to attend any of these meetings.

Mattapoisett is the ONLY town in this area without a paid director for its elder programs. This exception was again affirmed in the voting on June 21st when a request for $7000 to fund a part-time position was turned down. Although we hope and expect, in order to bring maximum benefits to the elders in our town, that this unfortunate situation will be reconsider-

Marion Housing Partnership Committee Report

by EUNICE MANDUCA

On Wednesday, June 22nd, at 7:30 p.m. the meeting of the Marion Housing Partnership Committee at Marion Town House was called to order by Chairman Roger Blanchette. Mr. Blanchette read a statement from Town Counsel Crotty which stated that, in his opinion, as potential developers Manuel and Faith DeMiranda could be in conflict of interest as members of the Housing Partnership Committee. After discussion it was agreed that Mr. and Mrs. DeMiranda would be very valuable to the committee to present the developers' point of view but it might jeopardize their position if, as members of the Housing Partnership, they were to deal with town boards as developers. Mr. Blanchette will check with Town Counsel and report to Faith DeMiranda if her work as a realtor in town presents any possibility of conflict of interest.

Vice Chairman Carl Gomes announced his resignation for personal rea-

sons and Chairman Blanchette suggested that committee members privately consider alternates while the meeting continued. Faith DeMiranda brought copies of the 40 B Statutes and Mr. Gomes had the updated pages. Copies were made for members by observer Helen Craver.

Chairman Blanchette read a list of several people with previous experience as developers in the Housing Partnership who could be very helpful to this newly organized group. He will contact John Klimm of the Mass. Housing Partnership to confirm a meeting date of July 6th at 7:30 p.m. at the Town House.

Chairman Blanchette announced a Housing Partnership Seminar to be held at Bayside Exposition Center in Boston on June 28th. Several persons present expressed an interest in attending the all day sessions, and will be given more specifics as soon as they are received. It is anticipated that this committee will quickly come up to speed because of the valuable Seminar and it was also suggested that the Marion group could learn by attending meetings of the Mattapoisett Housing Partnership Committee. Mr. Blanchette will contact the Chairman for permission to attend.

Betty Minter stated that the Mattapoisett group has the benefit of a professional planner which is presently under consideration in Marion.

There were many questions raised: Carl Gomes, State definition of Affordable housing? Bob Rapuano, Must the town produce 10% affordable housing each year? Faith DeMiranda, Affordable housing should be available, which raises additional questions as to what 'available' means.

Sub-committees were formed:

Application Committee, headed by Bob Rapuano, members Libby Beardsley and Reggie Carter. This group is responsible for filing the application forms with the state for designation as a Housing Partnership Community. Mr. Rapuano was reminded that Mr. Carmo of the State Finance Agency had offered his assistance for this purpose.

Site Possibility Committee, headed by Lee Craver, members Betty Minter and Virginia Nicholson. This group was advised that the Open Space/ Land Bank Committee has developed excellent reference material which should simplify their jobs.

Dwelling Units Committee, headed by David Pierce,members Margie Baldwin, Merry Conway and Carl Gomes. Chairman Blanchette requested that this committee be as specific as possible listing all primary and auxiliary units, apartments, in-law apartments, whether seasonal or year-round and, if possible, number of bedrooms in each unit. Helene Craver advised that most of the information should be available through the Assessors' office.

Other committees will be named as the need arises.

Chairman Blanchette pointed out that, as a designated Housing Partnership Community, Marion may apply for a $30,000 State Strategic Planning Grant. He also attempted to clarify the point that this Committee will not be seeking state or federal money to produce affordable housing. The Committee has been formed to work with acceptable developers willing to produce affordable housing and to protect the best interests of the town. Assuming

Marion Natural History Museum

There will be a general meeting on Wednesday, July 13th, at the Marion Natural History Museum located upstairs at the Elizabeth Taber Library, at 5:00 p.m.

The agenda will include programs and goals for the coming year. Open to the public, call David Pierce, 748-2372, for further information.

Elizabeth Taber Library

SUMMER PROGRAMS

The summer is starting at the Elizabeth Taber Library, Spring Street, Marion. Children ages 3-12 may come in and register for the Summer Reading Clubs. Ages 3-5 will be in the "Read-to-Me"Club, and will add eggs to a nest to earn a certificate at the end of the summer. School-age children may read and report on any number of books, and register for weekly prize drawings. All children registered will earn a certificate at the end of the summer. Other events this summer include a visit from Steve Randolph, Magician, a pet show, a junior olympics, a box village, Story Crafts with Trish Duane, and the usual films and story times, plus much more. Children are invited to come in and register for the many summer activities, and to pick up a summer

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of a power of sale contained in a certain mortgage given by JAMES A. SANTOS of Mattapoisett, Plymouth County, Commonwealth of Massachusetts to FAIRHAVEN SAVINGS BANK, a corporation established by authority of the Commonwealth of Massachusetts and doing business at Fairhaven, Bristol County, said Commonwealth, dated January 20, 1976 and recorded with Plymouth County Registry of Deeds Book 4131, Page 684 of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same will be sold at public auction on Thursday, July 14, 1988, at 10 o'clock A.M., on the premises, all and singular the premises described in said mortgage, to wit:

Land situated in Mattapoisett, Plymouth County, Commonwealth of Massachusetts, bounded and described as follows:

"BEGINNING at the southwesterly corner of the premises herein mortgaged at a point in the northerly line of Oliver's Lane, said point being distant NORTH 60° 8' 50" EAST therein one hundred sixty-seven and 91/100 (167.91) feet from a corner in said lane;

thence NORTH 29° 51' 10" WEST by land now or formerly of Russell F. Tinkham, et ux, one hundred twenty-five (125) feet;

thence NORTH 60° 8' 50" EAST by other land now or formerly of Russell F. Tinkham, et ux, one hundred twenty-five (125) feet;

thence SOUTH 29° 51' 10" EAST by other land now or formerly of Russell F. Tinkham, et ux, one hundred thirty-one and 66/100 (131.66) feet to the said northerly line of Oliver's Lane;

thence SOUTH 75° 4' 20" WEST in the said line of Oliver's Lane, twenty-five and 87/100 (25.87) feet to an angle; and

thence SOUTH 60° 8' 50" WEST still in the said line of Oliver's Lane, one hundred (100) feet to the point of beginning.

CONTAINING 15,708 square feet, more or less.

Being the same premises conveyed to me by deed of Louis J. Kalife, of even date, to be recorded herewith.

Subject to restrictions of record insofar as the same are now in force and applicable."

Subject to all unpaid taxes, tax titles, municipal liens and assessments, if any.

TERMS: 10% in cash or certified check; Balance in 10 days upon delivery of deed.

Old Colony

PROJECT SPOTLIGHT PARTICIPANTS

Eight students from Old Colony Regional Vocational Technical High School have been selected to participate in the Spotlight Program at Southeastern Massachusetts University next year. The students are all members of the Class of 1990 and were selected from the top ranking sophomores at the school. Four students will attend in the fall with the other four participating in the spring 1989 semester.

The Spotlight Program is an enrichment activity which provides a bridge into higher education for high potential 10th and 11th graders. The curriculum introduces students to the larger realm of creative intellect, artistic endeavor, social consciousness and personal com-

SENIOR PLACEMENT

Old Colony Regional Vocational Technical High School is pleased to announce the placement figures for this year's graduating class. Of the 106 Seniors who graduated on June 5th, 78 are now employed in jobs directly related to their trades. Additionally, 21 graduates are employed in jobs that are not related to their trade, 4 will be entering the military this summer and 2 are not available for employment at this time. These figures represent a 99 percent placement rate.

Of particular significance is the fact that 30 graduates have been accepted and are planning to enroll in post-secondary educational programs. Among the schools that have accepted Old Colony graduates are Syracuse University, Rochester Institute of Technology, Southeastern Massachusetts University, the State Colleges at Bridgewater, Fitchburg, and Worcester, Johnson and Wales College and Bristol, Massasoit and Cape Cod Community Colleges. This fact is encouraging to the Old Colony administration and staff, who have made a concerted effort to improve the academic programs for college-bound students.

In terms of employment, the demand for skilled employees far exceeded the supply in many of Old Colony's vocational shops. Many of the stu-

Annual Lawn Party

St. Anthony's Church, Gault Road, West Wareham is having its annual Lawn Party July 8 and 9.

There will be a Chicken Bake on July 8th to be held, rain or shine, at the Red Men's Hall, Main Street, South Wareham at 6:30. There will also be entertainment.

July 9th we will have our annual lawn party from noon until 10 p.m.; rain date July 10th. There will be food, games, white elephants, music, major raffle prizes and our popular penny sale. All tickets may be purchased from community members or at the church.

Broadway Comes to Zeiterion

"GYPSY" OPENS SUMMER OF MUSICALS

"GYPSY", the Broadway musical of show business of a bygone era, will open the Zeiterion Theatre's 1988 Sizzlin' Summer of American Broadway Musicals. Gypsy Rose Lee, the legendary first lady of the world of burlesque, and the mother who drove her to fame are the subjects of this rousing comedy hit. The opening

night of "Gypsy" is sponsored by Nynex Yellow Pages. "Gypsy" will be presented Thursday, July 7th, at 8:00 p.m.; Friday, July 8th, at 2:00 and 8:00 p.m.; and Saturday, July 9th, at 2:00 and 8:00 p.m. Evening ticket prices are $20.00, $17.50 and $15.00 with matinee ticket prices at $17.00, $14.50 and $12.00. There is a $2.00 discount for senior citizens and students for all shows. For more information on tickets, summer subscriptions and group packages call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

"Gypsy" is loosely based on the life of Gypsy Rose Lee, and was adapted for the stage by Arthur Laurents and Stephen Sondheim, the team that wrote "West Side Story". Jule Styne, composer of "Funny Girl", "Bells are Ringing" and many other Broadway hits, provided the musical score for "Gypsy" which includes such memorable songs as "Everything's Coming Up Roses", "Let Me Entertain You" and "Together Wherever We Go".

"Gypsy" is the first musical of the Zeiterion's summer season. "Anything Goes" will be presented on July 28-30 and "42nd Street" will be presented on August 18-20.

All three musicals are produced by the Zeiterion's creative team led by artistic directors George T. Charbonneau and Armand R. Marchand along with Musical Director Don Vasconcelles. Clay James is responsible for the staging and choreography of the musical sequences.

The Zeiterion is located at 684 Purchase Street in historic downtown New Bedford.

New Bedford Glass Museum

LAST DAY OF SPECIAL EXHIBITION

The New Bedford Glass Museum will be open during special hours on the Fourth of July from 10:00 until 2:00. The Fourth will also be the closing day of the special exhibition, Flights of Fancy, Faces in Glass.

The exhibition, which has assembled 100 works from private and public collections throughout the northeast, celebrates New Bedford's golden era of decorated glassware between 1880 and 1900. During this period the enameled glass of the Mount Washington Glass Company, the Smith Brothers, and other New Bedford firms established an international reputation for innovation and quality. Decorated wares such as "Crown Miliano", "Napoli", "Royal Flemish" and "Ve-

rona", both set and reflected late 19th century taste, with all its informed, sentimental and ambitious elements.

Flights of Fancy, Faces in Glass is highlighted by a retrospective of the work of Frank Guba. Guba, who emigrated to the U.S. from the porcelain painting center of Bavaria, was a Mount Washington glass decorator for almost forty years and executed many of the firm's greatest glass masterpieces. The exhibition includes not only his professional work, but his personal paintings, sketches, and family mementos as well.

The New Bedford Glass Museum will be open throughout the summer Monday through Saturday, 10-5, and Sundays, 1-4. The Glass Museum is located at 50 North Second Street in New Bedford's waterfront historic area (exit 15 off I-195).

Flights of Fancy, Faces in Glass was funded by The New Bedford Arts Council, through the Massachusetts Arts Lottery Fund.

Flea Market

A Flea Market will be held Saturday, July 9th, from 9 a.m. to 3 p.m. at Smith Neck Friends Meeting, corner of Smith Neck Road and Rock-O-Dundee Road, South Dartmouth. There will be many tables including crafts, books, collector items, antiques, bric-a-brac; something for everyone. Refreshments will also be served. The event will be held rain or shine.

A few tables, at $10.00 each, are still available. Telephone 997-8868 or 997-8320.

Rotch-Jones-Duff Concerts

The Rotch-Jones-Duff House and Garden Museum will begin its annual Summer Concert Series on July 7th. The performances will begin at 6:30 Thursday evenings during July and August at the Museum at 396 County Street in New Bedford. Concert-goers are invited to enjoy the outdoor concerts and to bring their blankets and a picnic lunch. Chairs will be provided. A donation of $1. per person or $2. per family is requested.

The United Brass Quintet will open the Summer Concert Series 88. The Quintet is celebrating its tenth anniversary season this year. The Quintet has performed extensively throughout southern New England during that time. Recorded performances of the Quintet have been presented on radio in this country as well as in Europe. Locally the Quintet has been heard on WGBH as well as area commercial and cable television stations.

Well-known for their balanced blend of classic and popular music, the Quintet is often remembered for their informative and humorous highlights of the Brass repertoire. Their July 7th performance at the Rotch-Jones-Duff House and Garden Museum will be entitled "Yankee Doodle Dandy".....great American favorites for Uncle Sam's birthday.
